WOMEN'S ROOM'S ORGANIZATIONAL CHART

The main governing bodies of the Women's Room are Assembly, Governing Board and Coordination Team. The listed bodies have their different but complementary functions in designing, implementation, coordination and monitoring of the organization's work. They realize their roles in close cooperation with staff belonging to the Working Team.

Picture 1. Women's Room organizational chart

Women's Room Assembly is the highest electoral and programming body. It includes all regular members of WR (30).

Women's Room Governing Board is the governing body which includes 5 independent persons who contribute actively to protection of human rights and also a president of WR Coordination Team.

Members of the Governing Board in 2023 were:

- ⊕ Željka Jelavić, M.Sc., ethnologist, president of the Governing Board
- ⊕ Sanja Cesar, psychologist, CESI (Center for Education, Counseling and Research)
